**View video of all sale lots at [www.dvauction.com](http://www.dvauction.com) or at any of the breeders' websites.**

**TERMS AND CONDITIONS**

1. The terms of the sale are cash. USDA P&S requires payment be made within 4 days of purchase.
2. Each animal will be sold to the highest bidder. The person in charge will settle any disputes as to bids, and his decision on such matters shall be final.
3. Any announcement from the seller on sale day will take precedence over printed material.
4. Health certificates will be furnished for shipment anywhere in the United States.
5. Each animal becomes buyer's risk as soon as sold; but it shall be the obligation of the seller to see that animals are fed and cared for, free of charge to purchaser, until loaded for shipment or until the expiration of December 20th of the current year.
6. All claims for adjustment for bred females must be made before May 1st of the following year. All claims for adjustment for heifer calves must be made by September 1st of the following year.
7. Everyone attending this sale does so at their own risk. Owners, clerks or other helpers do not assume responsibility, legal or otherwise, for damages of any kind.
8. Trucking by arrangement. Free to pick up locations in Madras, OR, Canton, OK, Douds, IA, & Aberdeen, SD.
9. A certificate of registry and transfer shall be furnished for each registered bred female sold at a final bid price of \$1,500 or higher. A certificate of registry and transfer shall be furnished for each registered heifer calf sold at a final bid price of \$1,200 or higher. If final bid price is less than either of these amounts the cattle will be considered commercial. Certificates of registry may be purchased for the difference.
10. The above terms and conditions shall constitute a contract between the buyer and seller of each animal sold.

**These cattle do sell in accordance with the Sale Terms and Conditions  
 set forth by the Red Angus Association of America.**

### **Welcome to the 2023 Big Sky Elite Female Sale!**

Many things have changed since the outbreak of Covid in 2020, with the most notable being that fewer people are working harder to keep this country running. Ag producers certainly lead the charge in working harder and longer hours to generate their products. In the beef cattle sector three things are apparent to me as an auctioneer and sale manager. First, brood cow cattle numbers and replacement heifer retention are at all-time lows in this country. Second, input costs across the board for just living expenses and operating a business are at all-time highs. Third, the cattle herd that is left and does exist in the United States is higher quality for beef production than the previous generations before it.

With that said, as a beef producer of the future, you must concentrate on what you can control. The quality of the herd you assemble and maintain will make or break you. There are several "added-value" programs available through many breeds and avenues of beef production these days. As a cow/calf producer I believe the most important is the quality of your cowherd and how they fit your environment and work for you and your operation. Red Angus cattle have more positive and superior working mother cow traits than any other breed in the world, starting with disposition, fertility, calving ease, mothering ability, feed conversion efficiency, eye appeal, carcass quality in their calves, and red-hided heat tolerance in the feedlot. With the lowest cattle numbers seen in nearly a century, the market looks to be profitable for the beef industry for the next several years. It is time to invest in top quality cows!

Top quality cattle come from top quality beef producers. The five operations that come together for the Big Sky Elite Sale are certainly some of the best Red Angus producers in the world. There have been a lot of cow sales this season and the Big Sky Elite is one of the most well-established, prodigious sales in the country. This is the 14th year I have sold this offering, and I can guarantee if you are looking for consistent, top-end genetics, this is the sale to attend. Free shipping to central drop-off locations helps to make this sale one of the most popular in the nation. If you have not experienced the Red Angus mother cow, or Big Sky Elite genetics in your cow herd, now is the time to invest in your future with some of the best females the breed has to offer. If you cannot make it to the auction, please tune in via DVAuction where you can bid live during the sale. If you need assistance in any of your selections, feel free to call me or any of the ring men for an unbiased assessment of the cattle and/or to carry your bids on sale day.

We hope to see you in Three Forks, Montana on Wednesday, December 6th, for this spectacular offering of Red Angus cattle.

*Kyle Gilchrist*

**C-T RED ANGUS  
COMMERCIAL RED ANGUS HEIFERS**

These heifers are ranch raised and purchased from our bull sale customers. They are a balanced set of heifers with plenty of size and condition. They will make a nice set of replacements. They will sell in 4 lots according to the breeding information. They were synchronized and AI'd, to C-T Red Quest 4010, for due date 2/20/24 and then bred to Feddes/C-T Stockmarket sons.

Heifers sell in a minimum of 5 head groups or the remainder if number is less than 5. Current high bidder will have option of taking the whole lot.

**26 HEIFERS DUE WITH HEIFERS**

Bred to: **C-T RED QUEST 4010 (#1680703)**

Due Date: **2/20/24**

26 commercial Red Angus heifers due 2/20/24 with heifers sired by C-T Red Quest 4010.

**10 HEIFERS PASTURE BRED**

Bred to: **FEDDES/C-T STOCKMARKET SONS**

Due Date: **3/10/24**

10 Red Angus commercial heifers pasture bred by Feddes/C-T Stockmarket sons. Due on 3/10/24.

**15 HEIFERS DUE WITH BULL CALVES**

Bred to: **C-T RED QUEST 4010 (#1680703)**

Due Date: **2/20/24**

15 Red Angus commercial heifers synchronized for 2/20/24 with bull calves.

**9 HEIFERS PASTURE BRED**

Bred to: **FEDDES/C-T STOCKMARKET SONS**

Due Date: **3/15/24 – 5/15/24**

9 Red Angus commercial bred heifers pasture bred by Feddes/C-T Stockmarket sons. Due 3/15/24 to 5/15/24.

**FEDDES RED ANGUS  
COMMERCIAL RED ANGUS HEIFERS**

These commercial heifers were raised at Feddes Red Angus and are bred to low birthweight, calving ease bulls from Feddes Red Angus and C-T Red Angus.

**4 COMMERCIAL RED ANGUS HEIFERS**

Bred to: **FEDDES/C-T CALVING EASE BULLS**

Due Date: **1/19/24 – 2/26/24**

4 commercial Red Angus heifers due to calve 1/19, 1/19, 2/11, and 2/26.

**4 COMMERCIAL RED ANGUS HEIFERS**

Bred to: **FEDDES/C-T CALVING EASE BULLS**

Due Date: **3/2/24 – 4/16/24**

4 commercial Red Angus heifers due to calve 3/2, 3/2, 4/1, and 4/16.

# FEDDES RED ANGUS

*Feddes Blockana 9130-099*

2021 NILE high-selling bred heifer and sale topper for \$11,500

## PICK OF FEDDES BRED HEIFERS

Here's your opportunity to pick out the Feddes Red Angus bred heifers. They represent some of the most sought-after cow families in the breed, including Blockana, Lakina and Sleek to name a few. Sires represented include C-T Reputation 0094, Feddes 8 Ball 9231, Stockmarket, BJR Rambler 5162 (no that's not a typo), and Feddes Treadstone 9352. Service sires include Reputation, Markets Up, Bieber Payday K113, Feddes Manhattan 2282 and others.

Due Date: 2/12/24

This beauty rises to the top in both phenotype and genotype. She presents a great opportunity to propel your program to the next level. Gorgeous, cherry-red, huge barreled, high performance and a sweetheart! Extra length of spine with an extended hip. Dixie 2047 boasts the top 1% of the breed in 4 traits and 11 EPDs/indices in the top 1/3 of the breed. Huge calving ease to growth spread. Out of a first-calf heifer earning her proud mama a 104 MPPA. Maternal granddam posts a 107 MPPA.

**GREEN MOUNTAIN RED ANGUS**

**PICK OF GMRA BRED OR OPEN HEIFERS**

Here is a pick right out of the Green Mountain Red Angus bred heifers or open heifer replacement pen! There are over 150 females to choose from featuring sire lines including Apache, Domain, Energize, Excellence, Foreman, Game Changer, Investment, King James, Patriot, Spartacus and Stockmarket. Service sires to the bred heifers include Energize, Stockmarket, Foreman, Spartacus and Patriot. This is a prime opportunity to wade into GMRA's top-end genetics with powerful performance and breed leading traits. Don't miss the chance to have complete control in purchasing a foundation female! A full listing of females and their pertinent data is available to review at [www.gmracattle.com](http://www.gmracattle.com). Feel free to contact us prior to the sale if you have any questions or would like any additional information.

Bred to: **BIEBER PAYDAY K113 (#4620475)**

Due Date: **3/5/24**

We feel this Stockmarket x Merlin bred heifer is definitely in the top of the heifers we've raised. She has a show stopping phenotype with a beautiful feet and leg set, and a feminine front end. She has extra length of spine with a massive amount of volume and rib shape. She stems from the proven and very maternal Larkaba cow family. These cows have worked in many herds for a long time and this one could work in yours. The Stockmarket daughters have been tested and have risen to the top many times with great calving ease and carcass traits. 2026 has an extremely solid EPD package with 10 traits in the top 17% and huge carcass, top 2% GM and 1% Marbling. She also has great personal performance with 102 WR and 111 YR. To round it off, she is bred to the new and exciting Bieber PayDay K113 herdsire that we were part of a group to purchase in the 2023 Bieber bull sale. He has an outcross pedigree with solid calving ease, growth and carcass. Take a long look at this breed leading female on Sale Day!!!

Bred to: **WSM PLAYMAKER 1080J (#4468115)**

Due Date: 2/2/24

These 2 heifers are so similar we decided to sell choice. We love both of these girls. Their dam was our pick of all the cows in the Jacobson dispersal. After the sale, Gary Jacobson called and asked how we found the 2 cows we did. The Mountain Sign daughters have been some of the most productive of all the 5L progeny. The dam, 4179 sports a 106 MPPA on 7 natural calves and has an impeccable udder. The Resource 137E daughters are some of our absolute favorite cows on the ranch. Both heifers are bred to WSM Playmaker 1080J, a top Quarterback son out of a daughter of Hobo 0545, due in early February. We feel the possibilities with these 2 heifers are endless.

Structurally flawless! If you haven't already done so, I recommend that you put a Knockin' Boots female on your "wish list". They possess stunning style! Maternally, the great Dazzle cow family stems back to Kay's parent's herd. Dazzle 2089 represents the 9th generation of Dazzle's that have graced the Klompien pastures. A testament to the value and sustainability of the Dazzle cow family; known for being moderate framed with excellent foot/leg structure along with impeccable udders.

Due Date: 2/12/24

This heifer's set of EPDs Rocks my Socks! This elegant young lady has big shoes to fill if she is to live up to her "Impress" cow family lineage – we have owned all of the maternal line clear to the great-great-great-grand dam and they have all been fantastic, hard-working mama cows! Her granddam will be 13 this coming year. She looks great, she is

bred up and expected to calve on January 29, 2024. She has had 11 natural calves, sustains a 366-day calving interval and maintains a 102 MPPA. Additionally, we have never trimmed DKK Impress 157's feet, nor any other cow in this lineage (as far as I can remember).

Bred to: **FEDDES MANHATTAN 2282 (#4631489)**

Due Date: 1/22/24

Her granddam sells as lot 69, with a MPPA of 104 on 8 calves. 267 has a balanced set of EPDs, with top 15% growth and marbling traits. She's due in January with a bull calf by our exciting Reputation son, Feddes Manhattan 2282, who was very popular in our 2023 sale, going to Watkins Red Angus and 3K Land and Cattle.

Due Date: 2/12/24

I bet you don't have a pedigree like this in your herd. We used Wildman Karl to add some Canadian Flare. The feet are exemplary! We haven't calved any out yet, so we are unable to give you the whole picture at this time, but so far, everything looks promising. Maternally, this beauty claims the great Sheba family – you already know that they are doing a bang-

up job in our herd. On her first time out of the gate, this gal's dam, Sheba 8131 produced one of the top sellers in our 2021 sale that has been used both A.I. and naturally in several registered herds.

Bred to: **GMRA NINE 1260J (#4465153)**

Due Date: 4/17/24

When reviewing this young dam's data, the first thought that came to mind was Power Cow! She is currently posting a 103 MPPA and is out of a dam with a 108 that ranks her in the top 6 dams at GMRA. Her maternal pedigree reads like a who's who in the Ophelia cow family going back to GMRA Ophelia 036 who also posted an MPPA of 108. 002H was a highlight in her dam's production record, taking a 74# BW to high-end consistent performance posting a 112 WR and YR. She is hitting her stride with her 2023 heifer calf, offered as Lot 28B, going from a 71# BW to a 112 WR, and weighing 682# on weaning day. Selling her calf was not an easy decision. However, the dam of 002H weaned a heifer calf posting a 129 WR and will go into the replacement pen, so we hope to make more just like her. Growth EPDs are powerful with impressive Marb and REA, backing up a 2% GM. The calf is equally impressive with single digit percentile growth and top 13% Marb and REA.

Bred to: **GMRA NINE 1260J (#4465153)**

Due Date: 4/21/24

This Rollin Deep daughter brings a lot to the table. She has proven performance with a below average birth ratio on 6 calves, an average WR of 103 and YR of 105, resulting in a 103 MPPA. Her 2023 calf is proof enough, posting a 72# BW resulting in a 105 WR. She comes from a powerful maternal pedigree with 9 linear MPPAs of 101 to 107, going back solid as it gets, leaving nothing to chance.

to a 1979 born dam. EPDs are impressive with 13 in the top 25% or higher, highlighting a large birth to growth spread and very strong maternal numbers. This maternal package is as solid as it gets, leaving nothing to chance.

Due Date: 4/23/24

This Declaration daughter is smooth made with a great top line and an outstanding udder. As a first calf heifer, she weaned a bull that gave her an MPPA of 104 and went on test, ranking with the #1 carcass ultrasound IMF ratio. She posts 9 EPDs in the top 21% of the breed, with 7 in the top 9%, including all growth numbers and the GM index. Just think of the carcass potential!

Bred to: **C-T SENECA 1012 (#4468395)**

Due Date: 3/25/24

This Front Row cow has been a big-time producer, earning a 107 MPPA on 2 calves. This year she raised a C-T Resource 1052 bull calf that ratioed a 115 WR. This next mating might be the most exciting part of this offering being bred to the Powerful C-T Seneca 10152 bull that is quickly making his way to the top of our herd sire list. He adds volume and muscle with a beautiful phenotype and solid calving ease.

Huge opportunity. Following in her amazing donor dam's footsteps, this young beauty is quiet tempered, deep ribbed, long spined, with perfect feet and udder structure. Consistently conveys in the first cycle of A.I. – and this time she is safe in calf to HRP Raider 2020K (the Complete 7000E x PIE Ruby 520 son that sold last spring at Hansine's). Semen is not yet

on the open market for this bull. DKK Starlette 086 has already produced two beautiful heifers that will be retained in Klompjen's herd. Her donor dam, DKK Starlette 07, claims 4 sons in registered herds, and 8 daughters retained in Klompjen's herd.

059 is a cow that was not originally anywhere near our sale list. She is an own daughter of Feddes Blockana 9130. It's hard to ever buy a direct 9130 daughter because they didn't get sold very often. 9130 is one of the top cows to ever walk our donor pen as she put an amazing phenotype into each one of her progeny and you will see that in 059. It's hard to

find a Merlin 018A daughter anywhere with this clean of a front end and as much rib shape as this cow has. She also raised our Nile heifer in 2022. Bred to our new herdsire, Bieber Payday K113 who has some of the leading EPDs in the entire breed. This mating should work extremely well.

Bred to: **C-T FULLY STOCKED 2077 (#4632055)** Due Date: 4/11/24

If you trace the pedigree on 013 all the way back to 1953 and a cow with the registration number of 436, you will only find one cow with an MPPA under 100. Many of the cows in this pedigree boast MPPAs of 104 or higher. 013 herself has an MPPA of 103, she has produced 2 daughters for us and both will stay in the herd. Her granddam sold through this sale 2 years ago and has been working in a registered herd and was a highlight of this sale. She is bred to a top son of Bieber Fully Stocked, the top selling bull in Biebers sale in 2021. This mating should produce breed-leading growth and carcass traits.

Due Date: 3/27/24

071 hit it out of the park on her first calf with a 116 WR, 110 YR and 109 IMFR. That bull sold very well in our sale. We were lucky enough to purchase a top donor from C-T Red Angus through this sale and 071 was the first calf we got out of 1011. She is bred to possibly the best Resource 137E bull to date, C-T Resource 1052. 1052 comes from the famous 0964 cow that is truly one of the top cows in the breed. This mating is exciting.

Due Date: 3/12/24

The heifer boasts some incredible numbers with 10% ProS, 1% GM, 11% WW, 7% YW, 6% ADG, 17% MILK, 1% MARB, 6% CW and 11% REA. If you add all that up and the fact that she is out of the Chris cow family, you know you have the makings of something special already. Then add in her phenotype and the fact that she is bred to a top Spartacus son, this could very well be the buy of the day. The first calf could easily pay for this heifer with the phenotype, breeding, EPDs and the sire of the calf.

Bred to: **BIEBER FOREMAN H165 (#4303291)**

Due Date: 3/11/24

Here is a powerful Stockmarket daughter with abundant length. She is out of a performance-minded Declaration dam with a 104 MPPA, ranking her in the top 20% of the GMRA herd. 212K turned in a 106 WR followed by a 109 YR. Her EPDs are solid across the board with a nice birth to growth spread and top-notch carcass.

Due Date: 3/18/24

When looking at this King James daughter, the one thing that comes to mind is consistency. From phenotype to genotype she is all there. Her picture tells the story with tons of depth and capacity, and a deep rear quarter sporting that maternal powerhouse look. Numbers are solid across the board with single digit growth and all carcass in the top 20%. She will catch your eye on all fronts.

Here's an opportunity to take home the dam, the daughter or the matched set! The dam is the only Trinity daughter in the offering. Just look at Bieber Jumpstart to see what the Trinity daughters can do! She posts an MPPA of 101 and all progeny have been retained. She is in her prime, raising the King James heifer calf we are offering as Lot 65B, who took a 79# BW to a 108 WR. There is a long line of maternal performance in the pedigree, including MPPAs all the way up to 109. Numbers confirm a nice birth to growth spread, with a top-end GM index. The calf's number set puts an exclamation point on those breed-leaders with a top 1% WW, YW, ADG, CW and REA and all but 3 numbers in the top 59%.

Bred to: GMRA GAME CHANGER 8270F (#3941443)

Due Date: 4/7/24

The Brunswick daughters never disappoint and Venice 947G is a prime example of their production potential. She has an MPPA of 102 on 3. Her second calf never took off due to sickness, but her other 2 calves both turned in WR's of 112. Her 2023 bull calf hit the ground at 78# and posted an actual weight the beginning of September of 744#. The maternal pedigree posts multiple MPPAs all the way up to 106. The EPD set is second-to-none with all but 3 in the top 50% of the breed, focusing on growth and carcass, including a YG and REA at 1%. A great complement to the Game Changer calf on board.

Bred to: **HRP RAIDER 2020K (#4623663)**

Due Date: 3/2/24

Miss Sadie Reddick won this female's granddam from us in 2009 when she participated in a contest during the Montana Red Angus field day. I fell in love with 5168's dam and offered to buy her several times without success. Sadie finally let down her guard and let me buy this female in 2015. Bred to HRP Raider 2020K (see notes under lot 35). I can only imagine the resulting calf.

Bred to: GMRA NINE 1260J (#4465153) Due Date: 4/22/24

This young Excellence daughter put all of her energy into raising this year's second highest ratioing heifer calf, giving her a 108 MPPA and placing her as one of the top 6 cows in the GMRA herd. We're sad to see this young powerhouse go but are excited to see where her future leads. Her numbers round out a nice package, with all but one in the top 2/3 of the breed. Carcass is strong with all numbers in the top 28% and a GM at 17%. Offering her stylish heifer calf was not easy, but with a 57% heifer crop this year, we decided to offer her as Lot 88B at Big Sky Elite. The calf took a 76# BW all the way to a 119 WR and weighed in at 700# on weaning day. Breed leading EPDs come with. All growth numbers sit at 1% and all carcass is in the top 1/3 of the breed with single digit CW and REA. With this kind of potential, you might as well bid on both!

This girl's first year of production gave her an MPPA of 100 with a heifer calf ratioing 101 at weaning. The maternal pedigree is strong with 7 generations of MPPAs over 100 in the direct lineage. EPDs show a nice birth to growth spread with standout numbers throughout the profile. The 2024 calf's projected EPDs place all growth in the top 10%.

Bred to: VGW CHARTER 220 (#4601357)

Due Date: 3/15/24

An eye-catching young Red Rock cow with a solid start, posting a 103 MPPA on her first try. The Red Rock females just keep coming to the top and also stick around with strong maternal traits, good foot and leg structure, and the right udder make-up. 1016 comes with balanced EPDs, with 13 traits in the top 22% of the breed. She also has a strong personal performance with a 116 YW EPD and a 105 YR. If you like cattle with stayability, performance, calving ease and carcass, don't miss this young cow.

Here's a top daughter from the C-T 426 cow line that weaned off a bull calf with a 104 ratio on her first try. She's staked with an amazing pedigree that has some of the breed's most tried and true sires such as Chateau and Pie One of a Kind. She herself had a yearling ratio of 117 and has that added performance. With her correct build and cowy, look I'd expect her to last a long time in production.

Bred to: **FEDDES MANHATTAN 2282 (#4631489)**

Due Date: 2/10/24

This cow just weaned off her first calf with a 109-weaning ratio. He is one of the top Bieber Energize bulls in the feedlot. She is a daughter again of the 1011 donor we purchased from C-T Red Angus. She has extremely balanced numbers with 11 traits in the top 34% of the breed. We love our Spartacus daughters and think this one will be near the top no matter where she goes. She is bred to Feddes Manhattan 2282, a top Reputation son we sold this spring to Michael Watkins and Kyle DeVoe at 3K Land and Cattle. Manhattan was one of the most phenotypically correct bulls to sell this spring. We love this mating and think it could be a top tier calf she is carrying.

Bred to: **WSM PLAYMAKER 1080J (#4468115)**

Due Date: 2/3/24

This cow carries as much growth and carcass in her EPDs as any we will sell today. Her individual data is a 116 WR and 120 YR with a 77 lbs. BW. We love the Treadstone 9352 daughters and think they could be as good of a sire group as we've had in a while. Udders are fantastic and feet look great. She is bred to WSM Playmaker, a top Quarterback son we chose to use because of his mother, the famous Basin Primrose 107W cow. She has been known to make everything you breed her to better. She is a very maternal cow, and we believe this mating will be a great combination of maternal, growth and end user traits.

Bred to: **GMRA APACHE 0233H (#4293179)**

Due Date: 5/20/24

Here's an honest, hardworking Domain daughter posting a 105 MPPA. She raised an 82# bull calf with a 705# adjusted 205-day weight, posting a 113 WR. Pretty impressive on a first outing! This performance backs up a nice set of numbers with all growth indicators at 20% or higher and single digit CW. Might as well take her home – she already knows what to do!

**GMRA HEAVILY ARMED 2291K (#4613847)**

Talk about a straight top line and a nice profile! She is very smooth made and clean fronted with a tight, attractive udder. She personally took a 74# BW to a 105 WR and 104 YR. The number set is as balanced as it gets with only one EPD landing outside of the top 75%. Eight land in the top 14% and antagonistic traits of birth and growth are all well in the top half of the breed. She will be easy to breed.

Here's an outcross pedigree for you. As a first-calf heifer, this fancy lady already earned a 104 MPPA. Her 2023 born bull calf had a 74# birth weight with a 109 weaning ratio. I think those numbers speak for themselves and OSCE 1129 is definitely excelling in her job.

Here's your chance at a NCRA Rolling Thunder 2034 daughter. Rolling Thunder was our pick of the bulls from the Turtle River Cattle Company in 2021. NCRA Rolling Thunder 2034 is admired by everybody who sees him. His daughters are absolutely gorgeous! His disposition is second to none. His capacity is captivating and his feet are simply fantastic! I have nothing but compliments for these good-footed, easy fleshing, good-natured girls.

Bred to: **RED RELENTLESS 1089 (#4534227)**

Due Date: 2/12/24

This pretty bred heifer is moderate in her frame and has the shape and dimension to go with it. She offers a lot of rib and is wide across her top. She is sired by the ST Genetics sire, Dominion. He will interject tons of phenotype and generations of maternal value into this mating. She is a cherry red heifer that is deep sided and capacious.

Bred to: BIEBER JUMPSTART J137 (#4463653)

Due Date: 1/20/24

We kept a lot of our Eight Ball daughters for replacements, but I thought we'd let one go in the sale. She has powerful growth, gain, Milk, and REA to back up her powerful cow family. She is confirmed pregnant to the exciting Jumpstart bull with a bull calf.

# Bred Heifers

Lot 120

15% CW and 6% REA. She combines growth with maternal. Bred to Lot 1 in our sale this year could present her new buyer an opportunity at something great. Markets Up 2119 is one of the best Stockmarket sons in the country to combine both phenotype and structure, we used him heavily this year in our program.

There is a lot of potential in this heifer. In fact, I'm starting to wonder why she's leaving... The maternal pedigree is a who's who in the GMRA herd, going back to Lakota 527 with an MPPA of 112. The EPD package is top-notch with 7 in the top 10% and 5 more rank in the top 16%. Just a very solid set with standouts from maternal to growth to carcass. The icing on the cake is a beautiful profile that showcases a straight topline, abundant capacity and a nice rear quarter.

Bred to: **CK KNOCKIN BOOTS 2122 (#4609655)**

Due Date: 4/3/24

A 15 CED ramped up to the top 6 and 9 percent of the breed for growth. What are we thinking in selling this beauty? She is doing exactly what the PIE One of a Kind 510's do best - structure and performance combined with calving ease.

Bred to: C-T PERFORMANCE 0135 (#4296309)

Due Date: 3/16/24

There is so much potential in this Brunswick heifer. She has one of the most performance-minded pedigrees in the GMRA offering. Not only do you have the power of Brunswick, you can follow the maternal pedigree back to a 1956 born dam before you find an MPPA under 100 in the direct lineage. It appears 016H is just hitting her stride, posting her

own MPPA of 101 and weaning a 65# Investment heifer at 108. We have decided to offer the heifer calf as Lot 146B and give another opportunity to purchase a performance-minded female. Both the dam and the calf come with impressive number sets. 016H has growth power along with a nice set of carcass numbers. 3053L takes all that and runs, with 8 EPDs in single digit percentiles. WW, YW and ADG all sit at 1%, complemented by single digit ProS, GM, Marb, CW and REA.

Bred to: GMRA GAME CHANGER 8270F (#3941443)

Due Date: 3/22/24

By now, the popularity of the Brunswick daughters is confirmed! Lakota 908 has turned in below average BW's, followed by top-notch performance. Her MPPA sits at 100 with her first calf turning in a WR of 108 and YR of 106. Her second calf had a tough spring and did not do well, but please don't hold that against her! This year she was back on track

with a bull calf hitting the ground at 72# and posting a 105 WR. She is from the powerful Lakota cow family going back 8 generations with MPPAs ranging from 102 to a highlight of 112. Numbers are impressive with 14 in the top 28% of the breed or higher and only 2 that are not in the top 47%. All indices are top-notch and EPDs are one of the most consistent sets in the offering. Overall, a very complete female.

Bred to: **GMRA NINE 1260J (#4465153)**

Due Date: **4/22/24**

This dam is a product of a NILE bred heifer purchase that came into the GMRA herd and not only held her own but excelled. Her dam finished her career with an MPPA of 101, and 961G is posting the same. This year's heifer calf was impressive, taking a 77# BW to a 104 WR. Over half of her EPDs are in the top half of the breed and the calf on board will post 11 in the top 25%.

Bred to: **BIEBER JUMPSTART J137 (#4463653)**

Due Date: 2/5/24

A direct Feddes Lakina Y17 daughter! This doesn't happen often. Y17 is one of the most prolific producers we have ever had in our donor pen. A Reputation daughter sold privately this spring for \$15,000 and she raised Feddes Silver Bow B226. Silver Bow was one of our top selling bulls in our history to Randy Meyer in Missouri where he was the best produc-

ing bull he ever used. When we talk about balance this cow is the definition with 14 traits in the top 35% of the breed. Her first calf was a Reputation son that sold through the sale and her daughter this year is in the replacement pen. Being bred to the record setting \$140,000 Bieber Jumpstart should create something special. We are really excited about these Jumpstart calves. All the pieces of the puzzle are here in this lot!

Bred to: **FEDDES DOMINATION C378-9355 (#4211382)**

Due Date: 2/27/24

6049 has been a consistent producer for us. Her first daughter was an awesome Red Rock heifer that stayed with us, she had a bull out of MR Coach that sold to Lucht Red Angus, and another top Spartacus son last year that sold in the sale this spring. She has a bred heifer in the keeper pen out of Resource 137E that we really like and expect to take

after her mother and be extremely productive and create her own legacy. Bred to the best Domain son we ever produced in 9355. He stems from a highly productive line of cows that Goodnight Red Angus has bought every daughter that has come from that cow family that we have sold.

Bieber Jumpstart J137, service sire

Bred to: **BIEBER JUMPSTART J137 (#4463653)**

Due Date: 2/4/24

Zeppy was the top selling heifer calf in the Namken Red Angus sale in 2021. She has a royal pedigree mixing Make Mimi as the sire with Zeppy 49A, who is a daughter of Haycow Cutting Edge. Zeppy 49A has been in the donor pen at Namken Red Angus for some time and boasts a 110 MPPA on 5 calves. 4H carries a 102 MPPA. She is bred to the record setting Bieber Jumpstart J137 that sold for \$185,000. The combination of these 2 could present the buyer something special.

Bred to: **VGW CHARTER 220 (#4601357)**

Due Date: 3/15/24

Here is an impressive "One of a Kind 510" daughters that is only 4 years old and has an MPPA of 101. These 510 cows have been very productive cows with great feet and udders. Also extra muscle and volume to go with it. This will be a great mating with the new Westphal herdsire, Charter 220.

Bred to: GMRA NINE 1260J (#4465153)

Due Date: 4/25/24

Moderate birth weights and an MPPA of 100 give this girl solid, consistent production. Breed average birth EPDs lead to elevated growth numbers in the top 25% or higher. The calf in utero posts growth numbers in the top 10% and boosts Marb, CW and REA, not to mention improved percentages on all indices.

Bred to: GMRA NINE 1260J (#4465153)

Due Date: 4/3/24

Here is a solid production Tesla daughter posting an MPPA of 100. Her 2023 heifer calf will go into the herd after turning in a WR of 101. 12 EPDs are in the top 44% of the breed or higher with 3 in single digits including ProS and HB. Estimated numbers on the calf on board keep those single digit indices, while adding single digit YW and ADG. Overall, 12 EPDs are in the top 30% or higher.

Lot 177

BW and CEM, while growth EPDs are still in the top 10-47%. The Performance calf on board will take growth into the top 15% or higher, while maintaining calving ease numbers.

Bred to: C-T PERFORMANCE 0135 (#4296309)

Due Date: 5/25/24

Don't be afraid to breed this Independence daughter up to a power bull. We purchased Independence with the full intent of moderating some birthweights in the herd and he did his job. As a result, you can take his daughters and push performance and they will still moderate birth weight and calving ease. She showcases single digit percentiles for CED,

Lot 178

provides a history lesson, going all the way back to a 1949 born dam out of a Foundation Angus dam and the Larkspur bull with registration #1. With the exception of the great great granddam at 99, every other cow has an MPPA over 100 all the way up to 109.
